Research Grants

2025 **Doctoral Summer Research Fellowship Award** ($5,000)
University of Pennsylvania, School of Social Policy & Practice

2024 **Doctoral Summer Research Fellowship Award** ($5,000)
University of Pennsylvania, School of Social Policy & Practice

2021 **Independent Research Grant** ($1,000)
Seoul National University Human Rights Center

Fellowships & Scholarships

2026–Present **Leonard Davis Institute of Health Economics (LDI) Fellow**
University of Pennsylvania

2026 **Research Student Travel Grant Award** ($650)
Graduate and Professional Student Assembly, University of Pennsylvania

2025 **Korean Honor Scholarship** ($1,500)
Embassy of the Republic of Korea, Ministry of Foreign Affairs

2024–2026 **Conference Travel Award** ($600/year)

School of Social Policy & Practice, University of Pennsylvania

2023–Present **Doctoral Study Abroad Scholarship** ($13,000/year)
Korea Foundation for Advanced Studies (KFAS)

2021–2022 **Merit-Based Scholarship** ($6,500)
Woo-san Yukyounghoe Scholarship Foundation

2020–2021 **Merit-Based Scholarship** ($7,000)
OK Bae & Jung Scholarship Foundation

2017–2021 **Merit-Based Scholarship (Full Tuition for Six Semesters)**
Seoul National University

Honors & Awards

2026 **Outstanding Dissertation Proposal Award** ($500)
Korean American Social Work Educators Association (KASWEA)

2026 **Best Project Award** (View project)
Summer Institutes in Computational Social Science at Penn (SICSS-Penn)

2026 **Honorable Mention, Disability Manuscript Award**
Council on Social Work Education (CSWE)

2020 **Excellence in Research Award**
The 8th Student Human Rights Research Project Contest, Seoul National University Human Rights Center

2019 **Outstanding Mentor Recognition**
Educational Mentoring Program for Children from Low-Income Families, Seoul National University Institute for Global Social Responsibility

Research Experience

2026–Present **Multinational Research Collaboration (Brazil, France, South Korea)**
Visiting Researcher
Project: Multinational Randomized Controlled Trial of Trial-Based Cognitive Therapy with and without Artificial Intelligence Assistance for Emotional Disorders
PI: Dr. Irismar Reis de Oliveira (Federal University of Bahia, Brazil), Dr. Anderson Sungmin Yoon (Sungkyunkwan University, South Korea), Dr. Lucia Romo (Université Paris Nanterre, France)
Funder: Ministry of Culture, Sports and Tourism, Republic of Korea (Project RS-2024-00344893), (**Total Funding: $5,000,000**)
Role: Contributing to protocol development for the AI-assisted treatment arm, which the South Korea site is building in collaboration with the Brazil team; supporting cultural adaptation planning for the South Korea site; trial launch expected in late 2026.

2023–Present **Mayor's Office of Community Mental Health of NYC**
Research Assistant
Project: Integrating Peer Support Services in NYC Crisis and Emergency Response Settings
PI: Dr. Phyllis Solomon (UPenn), Dr. Eliot Assoudeh (NYC OCMH)
Role: Conducted a community-partnered study with peer support workers and city agencies; contributed to IRB protocol development; designed focus group protocols; led codebook development and qualitative coding; led development of multiple first-authored and co-authored manuscripts; currently planning the partnership's stakeholder interview phase.

2022–2023 **Ministry of Health and Welfare of Korea**
Research Assistant
Project: A Study on Community Integration Strategies for Individuals with SMI
Role: Conducted literature reviews to derive parameters for effect estimation of the hospitalization system revised under the Mental Health Act; analyzed international cases of community mental health services as policy benchmarks; wrote sections of the final policy report.

2022 **National Human Rights Commission of Korea**
Research Assistant
Project: A Survey on Building Human Rights-Friendly Treatment Environments for Individuals with SMI
Role: Conducted in-depth interviews with individuals with SMI and supported on-site survey administration for patients at psychiatric hospitals nationwide; conducted focus group interviews with mental health professionals; conducted a document-based comparative case study of Taiwan's treatment environment; authored a chapter of the final report.

2021 **National Human Rights Commission of Korea**
Research Assistant
Project: A Survey of Advanced Cases for Enhancing the Community Integration of Individuals with SMI
Role: Developed survey items and conducted descriptive analyses of community integration needs among several hundred people with SMI, family members, and social workers; conducted in-depth interviews with approximately 10 individuals with SMI using mental rehabilitation facilities; conducted case studies of person-centered, rights-based approaches in the US, Australia, and the UK.

Teaching Interests

Core Courses
- Social Work Research Methods
- Statistics I & II
- Social Welfare Policy
- Introduction to Social Work

Substantive Area Courses
- AI and Digital Technology in Social Work Practice
- Computational Methods for Social Work Research
- Mental Health Services and Policy
- Recovery-Oriented Mental Health Practice

Teaching Experience

FA 2026 **Quantitative Methods**
Lab Instructor, School of Social Policy & Practice, University of Pennsylvania
Role: Develop lab materials; conduct weekly lab sessions focused on students' R programming skills; hold weekly office hours.

SP 2026 **Practical Machine Learning Methods** (Online)
Teaching Assistant, School of Social Policy & Practice, University of Pennsylvania
Role: Developed assignments focused primarily on students' Python programming skills; assisted in the main lecture's practice sessions by troubleshooting coding errors and answering student questions; graded assignments and held office hours.

FA 2025 **Quantitative Methods**
Lab Instructor, School of Social Policy & Practice, University of Pennsylvania
Role: Developed lab materials and conducted 11 weekly lab sessions focused on students' R programming skills; assisted in lecture practice sessions by troubleshooting coding errors and answering student questions; graded assignments and held weekly office hours; received student evaluations of 4.0/4.0 for both communication and ability to stimulate interest, with a 100% response rate.

FA 2022 **Social Work Practice**
Teaching Assistant, Department of Social Welfare, Seoul National University
Role: Prepared lecture materials for the undergraduate required course; managed attendance and assignments; served as the primary contact for student questions and professor–student communication.

SP 2022 **Seminar on Social Work Practice Skills** (Online)
Teaching Assistant, Department of Social Welfare, Seoul National University
Role: Prepared weekly readings and seminar materials for the graduate seminar; handled administrative tasks and facilitated communication between professor and students.

FA 2021 **Social Work Practice** (Online)
Teaching Assistant, Department of Social Welfare, Seoul National University
Role: Prepared lecture materials for the undergraduate required course; managed attendance and assignments; served as the primary contact for student questions and professor–student communication.

Social Work Practice & Community Service

2025–Present **Crisis Text Line**
Volunteer Crisis Counselor
Role: Completed Crisis Text Line's formal crisis counselor training; provide text-based crisis intervention and de-escalation support to individuals experiencing mental health crises.

2021 **Basic Psychiatric Hospital, Republic of Korea**
Social Work Intern
Role: Designed and led mindfulness meditation and exercise therapy programs as the main director to promote physical health and social functioning of patients with SMI; liaised with patients undergoing residential treatment and documented weekly assessments; participated in official seminars and shared cases with mental health social workers; wrote ethnographic research comparing the Day Hospital and Clubhouse programs.

2019–2021 **Lifelong Education Program 'Fountain College,' Taiwha Fountain House (Clubhouse), Republic of Korea**
Adult Learning Instructor (English, Korean History, Social Work)
Role: Developed curricula and taught adult education classes for clubhouse members with SMI; contributed to building the clubhouse's lifelong education program 'Fountain College.'

2019 **Taiwha Fountain House (Clubhouse), Republic of Korea**
Social Work Intern
Role: Worked side-by-side with members with SMI in daily routines and programs; visited households and workplaces of members, conducted personal counseling, and documented professional casework practices; wrote a qualitative paper on social stigma and self-stigma among young adults with SMI and factors influencing their recovery.

2018–2021 **Institute for Global Social Responsibility, Seoul National University**
Supervisor, Online Mentoring Program
Role: Monitored and documented online mentoring activities between SNU students and middle school students from low-income families; discussed cases requiring intervention with fellow supervisors and provided consultations for mentors; liaised with mentors, mentees, and teachers at mentees' schools.

Licenses

- Licensed Social Worker, Pennsylvania (License #SW144122)
- Certified Social Worker, Level 1 & 2, Republic of Korea (License #1-218802)

Other Professional Experience

2020–2023 **Korea Social Policy Review, Korean Association of Social Policy**
Chief Editorial Assistant
Role: Supported the editorial process from manuscript submission to publication; coordinated communications with authors, reviewers, and editorial board members.

2019–2021 **Institutes for Liberal Arts, Seoul National University**
Writing Tutor
Role: Provided periodic one-on-one feedback on students' final papers, discussing the flow and content of papers.

Skills & Training

Software & Programming
R, Python, SPSS, PROCESS Macro, LaTeX, Qualtrics

Quantitative & Methodological Training
Generalized linear models, multilevel and longitudinal modeling, structural equation modeling, latent class analysis and latent class growth analysis, causal inference (instrumental variables, difference-in-differences, regression discontinuity, propensity score matching), machine learning (naïve Bayes, k-nearest neighbors, decision trees, boosting, neural networks, clustering), natural language processing (rule-based and supervised text classification, word embeddings, transformer-based large language models, LLM-assisted annotation, structural topic modeling), spatial socioeconometrics, mixed methods research, framework analysis, and evidence synthesis (scoping and systematic reviews, meta-analysis)

Trainings & Workshops
**Competitively selected*

2026 **CETLI Teaching Certificate** (In Progress, Expected December 2026)
Center for Excellence in Teaching, Learning and Innovation, University of Pennsylvania

2026 **The Summer Institutes in Computational Social Science (SICSS)***
University of Pennsylvania

2025 **Machine Learning for Causal Inference**
Korea Society of Management Information Systems

2023 **Quantitative Ethnography Masterclass**
Learning Sciences Research Institute, Seoul National University

2023 **Computational Modeling & Reinforcement Learning**
College of Social Sciences, Seoul National University

2023 **Text Big Data and Natural Language Processing**
College of Social Sciences, Seoul National University

2023 **Latent Class, Latent Transition, and Growth Mixture Modeling**
Data Analysis Methodology Workshop

2022 **Structural Equation Modeling (SEM)**
